Certification of Appreciation

Research Internship Program 2025

This is to certify that **Ms. Priya**, B.Tech (Electrical Engineering) of the **National Institute of Technology, Kurukshetra, India,** has successfully completed the **Research Internship Program 2025** at the **Department of Railroad and Electrical Engineering, Woosong University**, **Republic of Korea** from **May 25, 2025** to **July 10, 2025**.

Title of the Project: Application of IoT and Artificial Intelligence in the operation of microgrid

During the internship, she demonstrated good analytical and simulation skills with a self-motivated attitude to learn emerging technologies. I found her to be a sincere, honest, hardworking, dedicated student with a professional attitude and very good subject knowledge.
I wish her all the best for future endeavours.
